OUR STORY

We founded American Cocktail Co. with the goal of bottling a luxury hospitality experience in a way that could be shared with people around the world. We cut zero corners in bringing you the finest quality product on the market. Forget boring mixers made from preservatives, high sugar content, and ingredients you can't pronounce. Our blends are created fresh, with organic ingredients and complex, "how'd they do that" flavors. Turn an ordinary cocktail party into a one-of-a-kind event. Treat yourself to something special.
